Thanks!

Thanks to everyone that helped to make the fete such a great day. Every volunteer that contributed deserves a pat on the back. Thanks especially to the Fete Committee, P&F Executive, Stall Conveners, and Sponsors. We believe the fete was extremely successful at bringing our community together.

We have a number of projects coming up that the funds raised will contribute towards, including outdoor learning spaces, renovation of the memorial garden, and contributions towards the schools IT program.

P&F AGM

On 8th of November will be our annual AGM. We invite anyone who is interested in what we have completed over the past 12 months to come along. We will also be electing the executive for 2017, so if you are interested in making a difference at St Peter’s and may be interested in an executive position, we invite you to contact the current executive, or our Principal, Mrs. Carolyn Watson to find out more.

Winning Scarecrow

Thanks to all the classes that created spectacular scarecrows for the fete, and to everyone that completed the “hunt”. After all votes were counted, Prep C won the pizza party. Congratulation, your mermaid has awarded your class with pizza, poppers, and ice cream on Friday!

Paddock Car park: The Mt Gravatt Horse and Pony club have offered St Peter’s ongoing use of the paddock car park to reduce the pressure on local streets. Please ensure when using the car park that you do not block entry or exit tracks. Please use the gate near the parish office to access the school.
Here are some photos from the day, thanks to Shea Worship for taking these and providing these to us!
Thanks to our Fete Sponsors, and providers of great Donations

World Teacher Day

October 28th is World Teachers Day. The P&F is celebrating the day by providing morning tea to thank our teachers for their contribution to our children’s education. Thanks to the parents who have offered to assist in providing morning tea.

2017 P&F

The focus for the 2016 P&F has been celebrating the community that has been involved with the 40 years of St Peter’s. The events have been about bringing people together, with the highlights being very successful Discos and the Fete.

We recognise that a lot of people don’t have the time to attend P&F meetings, but are interested in helping when required to ensure we can continue to provide support to the school and ensure we can assist to provide our children the best opportunities. With this in mind, we have discussed with the school leadership team, and the state P&F association on how we can change the structure of the St Peter’s P&F to be better engaged, and continue to grow our community in strength and support.

In 2017, we plan to trial a new structure. This structure will result in only the P&F executive, and school leadership holding monthly meetings. Each grade will be responsible for delivering an event during the year, such as Mother’s Day Stall, Discos, Prep Orientation Day, and Sports Day BBQ’s. Don’t panic, the Executive are here to help, but this structure should result in more helpers for each event, then people won’t feel pressured when attending a P&F event that they “might end up with a job with ongoing commitments”.

We also will be focusing on giving back to the community, with once a term having a community night that will hopefully have guest speakers. Watch this space!! We will put together a list of all planned events for 2017 soon and allocate grades. We will also put summaries of each event together so the allocated grade understands the requirements.

If you have any questions or feedback, please don’t hesitate to contact us!
Tangalooma EcoMarines, in partnership with Telstra and Souths Logan Magpies, would like to invite you to our family Movie Night under the stars at Souths Leagues Club in Brisbane.

**When:** Friday 4th November 2016 at 6:00pm

**Where:** Souths Leagues Club, Davies Park, West End

**Parking:** available for $2 per car (please bring cash)

The night will include a special presentation from some of our Tangalooma EcoMarine Student Ambassadors (prepare to be inspired!) before kicking off a screening of *Finding Nemo*.

All ticket sales will go towards ensuring our foundation can continue to work with early childhood centres, schools, businesses and the community as a whole to improve environmental outcomes for our waterways.

Make sure you get in early to take advantage of a **25% discount** on your movie tickets!

Just use the code **EARLYTEM** before the 25th of
Thank you for your support!

Tangalooma EcoMarines (ABN 40 168 034 008) now welcomes donations!

Proud winners of the Healthy Waterways Sustainable Education Award 2015 and 2016
