

St Peter's car park

Be patient and courteous; 'car park rage' can only end in tears. What is the example we are setting the children?

If you are able to get to school in plenty of time, or want to stay a bit later after school starts, we would ask you to park outside the car park (Along Rochedale Road or nearby side streets) and use some of your time for a gentle yet healthy stroll to school, getting valuable exercise and at the same time, freeing up car park space for those needing to personally collect their children.

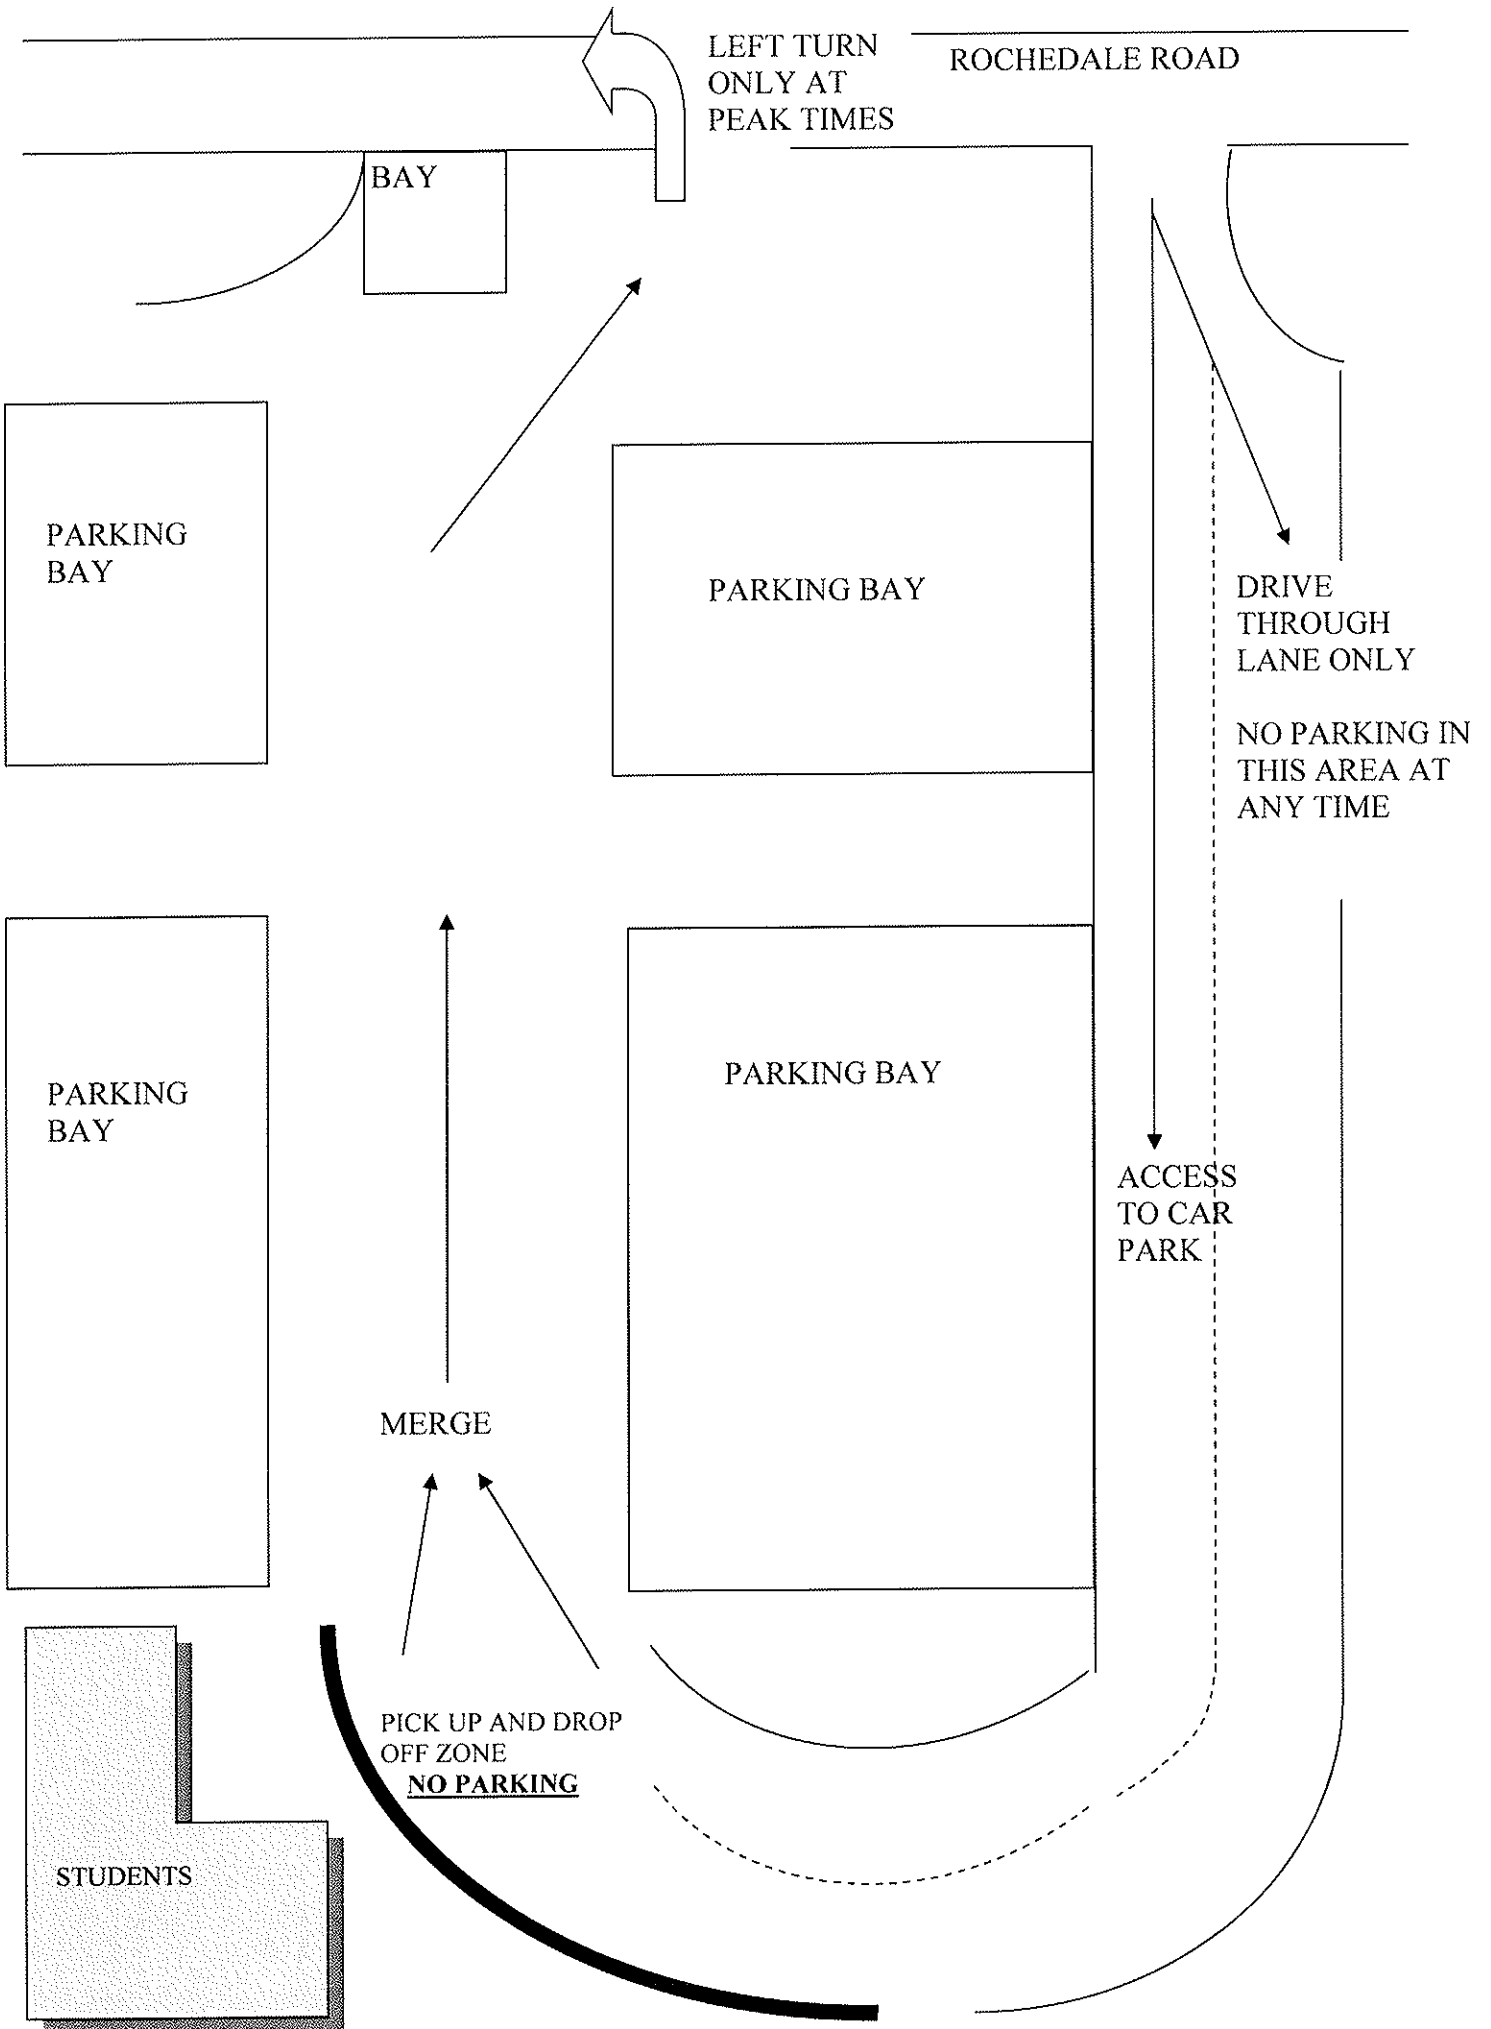

If your car is in the car park, then please be prompt in collecting your children from school; perhaps inviting someone home for a cuppa would be better than standing in the school yard whilst others wait in line for somewhere to park their car.

When exiting the car park, please turn left! Waiting for a right turn in the traffic can not only be time consuming, but can be dangerous too.

The parking area in front of the parish is for visitors to the parish only. It has been the case in the past where someone elderly or incapacitated, or as happens, someone who has recently lost a loved one has visited the parish, only to have their problems added to by having to park and walk a considerable distance

Finally, please DO NOT park in the drive through lane. Vehicles in the drive through lane should not be left unattended

To paraphrase one of our middle school mantras; TEAM—Together Each Achieves More!
