St Peter’s School is a co-educational Catholic Primary School established in 1972 by the Presentation Sisters. It is now well established with modern facilities and set on 5 spacious hectares in the heart of Brisbane’s rapidly growing south-east. Administered by Brisbane Catholic Education, St Peter’s School has access to a network of professional development, support staff and shared resources.

St Peter’s provides an authentic experience of Catholic community, promoting gospel values within our school and the wider community. With St Peter as our patron and model, we also nurture the values and charism of Nano Nagle, founder of the Presentation Sisters and St Mary of the Cross MacKillop, first Australian Saint and patron of the Archdiocese of Brisbane. These disciples of Jesus provide us with a model of living our life with compassion, hospitality and a sense of social justice and informs our Vision to be a Community in Faith, a Community in Learning and a Community in Peace.

This report gives an insight into our achievements for 2015.

School Profile

St Peter’s Primary School is a Catholic school administered through Catholic Education, Archdiocese of Brisbane.

Coeducational ❌ or Single Sex ❋

Year levels offered: Primary ❌ Secondary ❋ P-12 ❋

Total Student Enrolments 468 Girls 242 Boys 226
Characteristics of the student body

We draw our students from Rochedale and surrounding areas of Mackenzie, Robertson, Underwood and Runcorn. St Peter’s has continued to grow in enrollment numbers and has the potential to continue this trend with new housing development in the area. In 2015 there were 19 Class groupings with three stream for Prep to Year 1, and Yr 4 and 5, there two streams in Years 2.3 and 6 with one multi-age Yr 2/3 class.

Before enrolling at St Peter’s, students attend various child care centres and Kindergartens in the local area and beyond.

Approximately 75 percent of our students are catholic, with a reasonable balance of gender. We have 25 students who are verified and receive personalized support through the collaboration of teachers and the Learning Support Team.

St Peter’s is a multi-cultural school with 50 students from families with English as a second language and 12 Aboriginal and Torres Strait Islander students.

Our students have a holistic approach to learning and pursue special interests within and outside school in the sporting and cultural areas of soccer, netball, visual arts and piano.

Our distinctive curriculum offerings

Over the past five years we have implemented the Australian Curriculum with a focus on English, Mathematics, Science, History and Geography. During 2015 St Peter’s had a specific focus on the implementation of the Reading to Learn - Learning to Write program.

Cross curricular perspectives of Social Justice, highlighted annually during April to coincide with the founder of the Presentation sisters, Nano Nagle’s, feast day.
- Whole school creative arts program encompassing Visual Arts, Drama and Music.
- Motor Program for prep students.
- Inter-school elective programs for students in Years 4, 5 and 6.
- Annual Readers Cup Competition.
- Annual Poetry Competition.
- Environment sustainability focus.
- Outdoor camps for Years 5 and 6
- Leadership program involving Care Groups.
- School wide Buddy Program.
- Conflict Resolution Program with Peer Mediators.
Extra curricula activities

- Choir
- Piano lessons
- Guitar, brass and woodwind
- Aus Kick Football Program
- Karate and Taekwondo lessons available on-site after school
- Local and district sporting competitions including Cross Country, Athletics, Swimming, and Netball
- Art Competition involvement

How Information and Communication Technologies are used to assist learning

St Peter’s has developed a comprehensive School Information Communication and Learning Technology Plan, part of which is to increase access to the network and the use of ICLT for staff, students and guests.

All classrooms have interactive data projectors, a bank of laptop computers and an iPad they also have to access to video cameras.

The school site is serviced by an integrated wireless network that supports mobile technology.

Information and Communication Technologies are used in a variety of ways to enhance learning and teaching. Students and teachers access a range of technologies to support interactive learning and allow students to locate, select, organise, present and assess information. Learning opportunities are designed to encourage students to be collaborative and explorative learners who solve problems on-line and collaborate with local and external audiences.

Social climate inclusive of pastoral care and our response to bullying

St Peter’s is a welcoming and friendly school where positive relationships between all members of the school is valued. We have a Buddy System throughout the school where older students are paired with younger students to help resolve conflicts experienced in the playground.

St Peter’s Behaviour Support Policy is based on nurturing a supportive school environment that values the rights and individuality of each student whilst ensuring dignity, respect and safety for all. St Peter’s has made a long term commitment to implement the Positive Behaviour 4 Learning Program begun in 2013. There is no place for bullying at St Peter’s. Our response to bullying issues includes - formal interviews with the students, parents/caregivers, formation of an Individual Management Plan for the student, counseling for specific needs, involvement of outside agencies, including personnel from Brisbane Catholic Education Office, mediation, and a review of the school’s suitability to meet the ongoing needs of a repeat offender. We also have committed to involving students in programs connected to the curriculum that help them develop their social skills.
Parent, student and teacher satisfaction with the school

Reviews are conducted annually with a focus on key areas of Mission and Religious Education, Learning and Teaching, Professional Practice and Collaborative Relationships and Strategic Resourcing. Strategic planning and goal setting is well aligned to processes of reflection and review and based around evidence and data. Year 6 students participate in an exit survey at the end of the year. Other strategies used to gauge satisfaction with St Peter’s are the P&F meetings, committee meetings and Parent Drop-in sessions.

Overall there is a high level of satisfaction from all members of St Peter’s community. Recent evidence of this is our External School Review and Validation process held during 2013. Data from internal reviews conducted each year continue to substantiate this. Collaboration through parent representative groups, the School Board and P&F Committee, also confirms parent and student satisfaction.

Parent involvement in their child’s education

We welcome the active participation of parents in the education of their children. Involvement is encouraged through:
- participating in the religious life of the school including supporting liturgies, prayer assemblies, masses, and classroom prayer circles
- assisting teaching staff with reading, technology, craft, sport visual arts and other areas of the curriculum as coordinated by individual teachers
- assisting in the library
- assisting at excursions and incursions
- attending working bees and assisting in the tuckshop
- supporting P&F social and fund raising events
- supporting Celebration of Learning activities

Policy and practice to manage student attendance

Students attendance is monitored by staff and the leadership team via an electronic roll system. Students and families are reminded regularly on the importance of attending school. A particular focus regarding attendance is punctuality. Class rolls are taken twice daily, students who arrive late must sign in at the office. Rolls are monitored for extended absences or students arriving late to school / leaving early on a regular basis. Contact is made with parents where attendance issues have been identified. Parents must complete an Exemption From Compulsory School application for absences of more than 10 school days. These applications are sent to DEEWR for approval.

Student Achievement – NAPLAN for Years 3, 5, 7

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading writing, spelling, grammar and punctuation, and numeracy results for the relevant years.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the relevant years are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following

‘Find a school’ text box.

Type in the name of the school whose NAPLAN results you wish to view, and select <GO>‘. Read and follow the instructions on the next screen; you will be asked to accept the Terms of Use and Privacy Policy before being able to access our NAPLAN data.
