ENROLMENT POLICY

In its attempts to nurture students in the Catholic faith and maintain a Catholic ethos within the community, St Peter's School remains open and welcoming to all who wish to join it.

POLICY PRACTICE:

(A) Applications for Enrolment:

Applications for enrolment will be considered in the following order:

- (i) Sibling of students already in the school.
- (ii) Catholic students living within the parish community.
- (iii) Catholic students living beyond the parish community but with special reasons for applying.
- (iv) Other students not included in the above categories.

N.B. For all of the above, belonging to a worshipping community of faith is a large consideration in the decision-making process. A child can only be considered as a catholic enrolment upon presentation of a baptismal certificate.

Acceptance of applications for enrolment will be dependent upon considerations re any or all of the following:

- age eligibility – a child entering Prep must be four (5) years of age by 30 June of the previous year.
- class sizes
- the composition of classes
- the physical accommodation available
- the ability of the school to meet the child's needs
- the need to maintain the Catholic character/ethos of the school
- the discretion of the Principal

N.B. Students with 'special needs' will be enrolled in line with the Special Needs Enrolment Support Policy of B.C.E.
