

# ST PETER'S ANNUAL PLAN 2020

## Strong Catholic Identity

**Strategic goal:** Re-contextualised and contemporary Catholic perspectives are reflected in St Peter's curriculum, the community and empowers students' faith, learning and peace.

**Annual goal:** By the end of 2020, we will strengthen the teaching and learning of religion by embedding Catholic perspectives, enhancing prayer opportunities and improving assessment

### Strategies

- Implement the Catholic perspective annual plan
- Communicate the school's Catholic identity
  - Explore high quality pedagogy and assessment in Religion

## Excellent Learning and Teaching

**Strategic goal:** Collective ownership and use of quality data-informed strategies enhances personalised learning.

**Annual goal:** By the end of 2020 we will consolidate our shared pedagogical approach to the teaching of literacy in order to achieve 85% of all students achieving reading and writing targets. We will develop our pedagogical knowledge around the effective teaching of Mathematics.

### Strategies:

- Build and apply pedagogical knowledge and practice in the teaching of mathematics
- Consolidate our shared pedagogical approach to the teaching of English
- Deepen staff use of and understanding of a variety of data sources to inform student learning growth all teaching areas
- Achieve consistent use of learning intentions, success criteria, feedback and learning dispositions

**Strategic goal:** Personalised learning and wellbeing for all supports continuous growth and improvement.

**Annual goal:** By the end of 2020, we will have reviewed, re-aligned, and build resources that incorporate St Peter's Everyday and PB4L.

### Strategies:

- Develop a team action plan for PB4L components to ensure clarity, process and feedback are part of everyday practice
- Introduce the Stamina Domain (academic persistence, building emotional resilience and growth mindset) to compliment body and relationship domain practices for student wellbeing

## Building a Sustainable Future

**Strategic goal:** The school's commitment to capability, collaboration, creativity and communication and facilities optimise personalised learning in an authentic Catholic community.

**Annual goal:** By the end of 2020 we will have planned for and used resources more effectively and sustainably to make a difference to the school's learning environment.

- Investigate and define 21<sup>st</sup> century classroom learning and pedagogy (collaboration, creativity and communication)
- Utilise staff experts in upskilling others, in particular Year 5 and 2, in the use of iPads as an organizing and learning tool and to help embed ICT capabilities across curriculum
- Document, communicate and establish teams to work with school plans (IT, master plan, ERAMP)

**Annual Goal:** By the end of 2020 we have further built our capacities to work more collaboratively in school teams.

- Build in opportunities for deeper conversations, review and feedback systems
- Align and action all school charters (parents, staff and students) with ROCKS model
